## Oral Presentations

### Monday, 2 July 2007

O-001-O-002	Session 01 – Keynote lectures . . . . .	i1
O-003-O-008	Session 02 – Single embryo transfer . . . . .	i1
O-009-O-014	Session 03 – Ovarian stimulation 1 . . . . .	i4
O-015-O-020	Session 04 – ART - Outcome 1 . . . . .	i6
O-021-O-026	Session 05 – Embryology . . . . .	i9
O-027-O-032	Session 06 – Early pregnancy 1 . . . . .	i11
O-033-O-038	Session 07 – Endocrinology - Basic . . . . .	i14
O-039-O-041	Session 08 – Members’ information session . . . . .	i16
O-042	Session 09 – FSA / ESHRE Exchange session . . . . .	i16
	Session 10 – Poster discussions 1 . . . . .	i17
O-043-O-044	Session 11 – Paramedical invited lectures - Nursing . . . . .	i18
O-046-O-047	Session 12 – Early pregnancy . . . . .	i19
O-048-O-051	Session 13 – Paramedical - Laboratory . . . . .	i19
O-052-O-056	Session 14 – ART - Outcome 2 . . . . .	i21
O-057-O-061	Session 15 – Female fertility - Clinical aspects . . . . .	i23
O-062-O-066	Session 16 – ICSI / TESE . . . . .	i25
O-067-O-071	Session 17 – Prognostics factors . . . . .	i27
O-072-O-076	Session 18 – Epidemiology . . . . .	i29
O-077-O-081	Session 19 – PGS / Embryo selection . . . . .	i31
O-082-O-083	Session 20 – New gatekeepers of reproduction: GPR 54 and kisspeptin . . . . .	i33
O-084-O-085	Session 21 – Health economics and reproductive medicine . . . . .	i34
O-086-O-089	Session 22 – Ethics and law 1 . . . . .	i34

### Tuesday, 3 July 2007

O-090-O-091	Session 23 – Are there new paradigms in ovarian germ cell biology? . . . . .	i36
O-092-O-093	Session 24 – Adhesion prevention in infertility surgery . . . . .	i37
O-094-O-095	Session 25 – SREI/ASRM exchange lectures-Insulin sensitization in anovulatory PCOS: Mechanisms and results . . . . .	i38
O-096-O-097	Session 26 – Paramedical invited lectures - laboratory standardization . . . . .	i38
O-098-O-103	Session 27 – Ovarian stimulation 2 . . . . .	i39
	Session 28 – Live surgery . . . . .	i41
O-104-O-109	Session 29 – ART - Cryopreservation of gonads . . . . .	i41
O-110-O-115	Session 30 – Endometrium . . . . .	i44
O-116-O-121	Session 31 – Endometriosis 1 . . . . .	i47
O-122-O-127	Session 32 – Ethics and law 2 . . . . .	i49
O-128-O-129	Session 33 – Male infertility tests in the era of ICSI . . . . .	i52
	Session 34 – Poster discussion 2 . . . . .	i52
O-130-O-133	Session 35 – Paramedical - Nursing . . . . .	i53
O-134-O-135	Session 36 – Female sexual differentiation (Clinical tutorial) . . . . .	i55
O-136	Session 37 – Data form the ESHRE PGD Consortium . . . . .	i55
O-137-O-138	Session 38 – ESHRE Guidelines . . . . .	i55
O-139-O-140	Session 39 – Paramedical invited lectures - Putting theory into practice . . . . .	i56
O-141-O-145	Session 40 – Female fertility - Clinical aspects 2 . . . . .	i56
O-146-O-150	Session 41 – Reproductive surgery . . . . .	i58
O-151-O-155	Session 42 – Embryology Experimental . . . . .	i60

O-156-O-160	Session 43 – Male fertility . . . . .	i62
O-161-O-165	Session 44 – Psychology and counselling 1 . . . . .	i64
O-166-O-170	Session 45 – ART - Stem cells . . . . .	i66
O-171-O-174	Session 46 – Ovarian stimulation 3 . . . . .	i69
O-175-O-178	Session 47 – ART - Risks and complications . . . . .	i70
O-179-O-182	Session 48 – ART - IUI . . . . .	i72
O-183-O-186	Session 49 – Cryopreservation . . . . .	i74
O-187-O-190	Session 50 – Female fertility 1 . . . . .	i75
O-191-O-194	Session 51 – Adolescence and contraception . . . . .	i77

**Wednesday, 4 July 2007**

O-195-O-196	Session 52 – European and global IVF Monitoring. . . . .	i79
O-197-O-198	Session 53 – Controversies in ovarian stimulation . . . . .	i79
O-199-O-200	Session 54 – Early development . . . . .	i79
O-201-O-207	Session 55 – Ovarian stimulation 4 . . . . .	i80
O-208-O-214	Session 56 – Early pregnancy 2 . . . . .	i83
O-215-O-221	Session 57 – Psychology and counselling 2 . . . . .	i86
O-222-O-228	Session 58 – Endocrinology - Clinical 1 . . . . .	i88
O-229-O-235	Session 59 – Preimplantation genetic diagnosis . . . . .	i91
O-236-O-242	Session 60 – Female fertility 2 . . . . .	i95
O-243-O-244	Session 61 – Advances in stem cell research . . . . .	i98
O-245-O-246	Session 62 – ASRM exchange lectures - Update in endometriosis. . . . .	i98
	Session 63 – Poster discussion 3 . . . . .	i98
O-247	Session 64 – Paramedical interactive debate. . . . .	i99
O-248-O-252	Session 65 – ART - Clinical procedures. . . . .	i99
O-253-O-257	Session 66 – ART - Clinical outcome 2. . . . .	i101
O-258-O-262	Session 67 – Implantation . . . . .	i103
O-263-O-267	Session 68 – Endocrinology - Clinical 2 . . . . .	i105
O-268-O-272	Session 69 – Endometriosis 2 . . . . .	i106
O-273-O-277	Session 70 – Laboratory procedures / IVM . . . . .	i108
O-278	Session 71 – Late breaking . . . . .	i110

**Poster Presentations**

P-279	Adolescence, puberty . . . . .	i111
P-280-P-285	ART, basic research: ICSI, MESA, TESE. . . . .	i111
P-286-P-298	ART, basic research: IVM . . . . .	i114
P-299-P-301	ART, clinical: follow-up children. . . . .	i119
P-302-P-308	ART, clinical: GnRH agonist/antagonist. . . . .	i120
P-309-P-311	ART, clinical: IUI . . . . .	i123
P-312-P-327	ART, clinical: outcome . . . . .	i124
P-328-P-347	ART, clinical: ovarian stimulation . . . . .	i130
P-348-P-353	ART, clinical: pregnancy . . . . .	i138
P-354-P-363	ART, clinical: procedures . . . . .	i139
P-364-P-370	ART, clinical: prognostic factors. . . . .	i143
P-371-P-376	ART, clinical: risks and complications . . . . .	i146
P-377-P-380	ART, clinical: single embryo transfer . . . . .	i148
P-381	ART, cloning . . . . .	i150
P-382-P-390	ART, laboratory: cryopreservation of embryos . . . . .	i150
P-391-P-399	ART, laboratory: cryopreservation of gametes . . . . .	i153
P-400-P-402	ART, laboratory: cryopreservation of gonads . . . . .	i157
P-403-P-410	ART, laboratory: embryo selection. . . . .	i158
P-411-P-414	ART, laboratory: ICSI, MESA, TESE . . . . .	i161
P-415-P-433	ART, laboratory: procedures . . . . .	i163
P-434-P-442	ART, stem cell research. . . . .	i170

P-443	Contraception . . . . .	i173
P-444-P-449	Early pregnancy: basic research. . . . .	i174
P-450	Early pregnancy: clinical aspects. . . . .	i176
P-451-P-453	Embryology, experimental . . . . .	i177
P-454-P-458	Embryology, human . . . . .	i178
P-459-P-467	Endocrinology: basic research . . . . .	i180
P-468-P-477	Endocrinology: clinical aspects . . . . .	i183
P-478-P-486	Endometriosis: basic research. . . . .	i186
P-487-P-488	Endometriosis: clinical aspects. . . . .	i190
P-489-P-498	Endometrium . . . . .	i191
P-499-P-504	Epidemiology, demography, terminology . . . . .	i195
P-505-P-507	Ethics and law. . . . .	i197
P-508-P-517	Female fertility: basic research. . . . .	i198
P-518-P-522	Female fertility: clinical aspects. . . . .	i202
P-523	Genetics: female . . . . .	i204
P-524-P-528	Genetics: male . . . . .	i204
P-529-P-534	Genetics: PGD . . . . .	i207
P-535-P-537	Genetics: PGS. . . . .	i209
P-538-P-545	Implantation . . . . .	i211
P-546-P-554	Male fertility: basic research . . . . .	i214
P-555-P-559	Male fertility: clinical aspects . . . . .	i218
P-560-P-562	Menopause . . . . .	i219
P-563	Paramedical: laboratory . . . . .	i221
P-564-P-565	Paramedical: nursing . . . . .	i221
P-566-P-575	Psychology and counselling . . . . .	i222
P-576-P-580	Reproductive surgery. . . . .	i226
